Men, who are in a relationship with more than one woman, are rather selfish and lustful. If a man goes after several women, he still needs to grow up and to be a real man. If a man goes after several women, he will never settle down.

- **A real man realizes that love is the most powerful feeling in the world**

A real man knows that true love is the most amazing thing in life. To find a real woman, you need to find a real partner. True love is the basis for a long-lasting relationship.

- **A real man always supports his partner**

A real man always stands by his woman`s side. He knows that if he shares his life with a woman, he will feel better. He is always there for her woman. He loves his woman in all circumstances.

- **A real man loves his wife despite her imperfections**

A real man loves his woman with all her imperfections and flaws. He accepts all the mistakes and loves his woman as she is.

- **A real man shows you that you are the best things in his life**

A real man never lets his wife go to bed sad or angry. He always shows his wife that she is the best thing that has happened to him ever.

- **A real man does not show that he is afraid of commitment**

A real man does not show that he is afraid of commitment even though most of them are. He does not give up, and he decides to face up with fear like a real man.

- **A real man flirts with his wife regularly**

If you marry a woman, you should not stop flirting and going out with her. It is essential to fall in love with each other every day.

- **Your real life may come after you have been hurt**

Our life is the biggest lesson in life. The negative lessons can hurt us sometimes, but we also can learn a lot from them. You should never give up.
